

Test & Calibration Certificate

This document certifies that the following instrument has been tested and calibrated to the manufacturer specifications.

- Device Type: **MiniSPL**
- Serial Number: **N069**

- Date of Calibration: **24. November 2006**
- Next Calibration Due: **24. November 2007**

- Results: **PASSED**

(for detailed report see next page)

Tested by: M. Frick

Signature:

Stamp:

Calibration of: MiniSPL
Serial Number: N069
Date: 24. November 2006

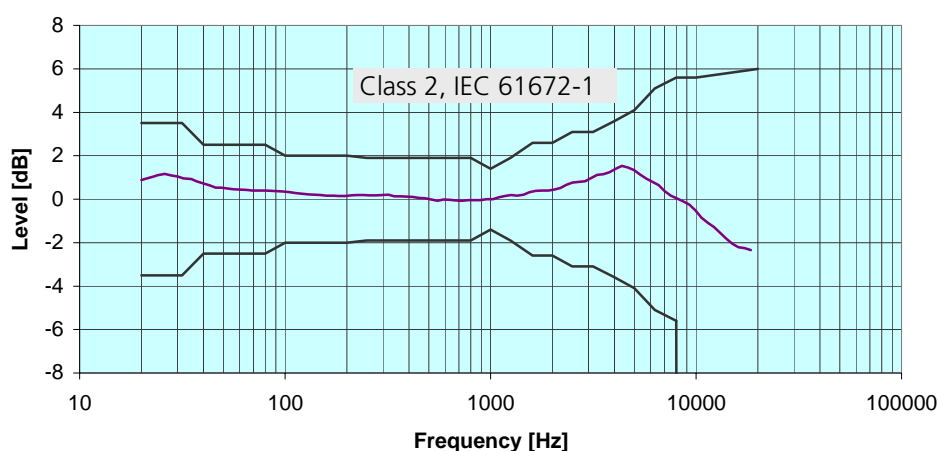

- Detailed Calibration Test Results:

System calibration

Sensitivity @ 1 kHz, 114 dB SPL

20.0 mV/Pa

Frequency Response

- Test Conditions: Temperature: **24.6 °C**
Relative Humidity: **38 %**

- Calibration Equipment Used:

- Norsonic Sound Calibrator, Type 1251, S/No. 30218
Last Calibration: 18. Sep. 2006, Next Calibration: 18. Sep. 2007
Calibrated by Norsonic Calibration Laboratory according IEC 60942

- NTI RT-2X, S/No. 0130
Last Calibration: 24. Mar. 2006, Next Calibration: 24. Mar 2007
Calibrated by NTI meeting product specifications

- NTI A2, S/No. 1583
Last Calibration: 23. Feb. 2006, Next Calibration: 23. Feb. 2007
Calibrated by NTI meeting product specifications
