Compliance Statement of NTi Audio AG concerning EU Directives RoHS, WEEE

NTi Audio AG is a worldwide leading company for the design and production of Audio Test & Measurement systems that are distributed through our international sales network.

This letter confirms the full compliance of all products of NTi Audio AG with the following directives of the European Community.

- Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2012, on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS).
- Directive 2002/96/EC of the European Parliament and of the Council of 27 January 2003, on waste electrical and electronic equipment (WEEE).

If you need further information, please contact NTi Audio AG.
