

switch on - good to go!

Let's make a difference...

NTi Audio AG is a Liechtenstein-based company founded in 2000 by a group of dedicated engineers. Our mission is to provide innovative and high-quality **measurement solutions** for the **professional audio and acoustic industries** and to achieve maximum customer satisfaction with our professional support.

In the development of our products, we place the needs of the customer first. Within our teams we strive for excellence in functionality, support and service. To achieve this, we look for responsible people who share our ambition and enthusiasm.

We wish to expand our team and extend our services to our pro audio customers in the **UK & Ireland**. We are looking for a new team member for our **Stevenage offices, close to London**.

Technical Sales Manager

The main tasks for this job include:

- Sales of our measurement solutions in the UK and Ireland
- Technical customer support on the phone and via our support platform
- Service, repairs and calibrations according to our internal guidelines
- Support and optimisation of our distribution network in the UK

What we expect from you:

- A technical education and some years of experience in the pro audio market
- You enjoy customer contact with a flair for sales
- You are interested in a flexible job that brings new stimulating challenges
- A self-managing ability in our small national team
- Team player

What we are offering:

- An opportunity to use and master leading-edge technologies in test instrumentation
- Tasks that require responsibility, expanding your experience in the pro audio and acoustics industries
- Flexible working conditions
- A competitive salary and benefits package

If you are interested in joining us, please send your CV with covering letter to:
